The J. H. Nolan Agency, Chicago, Ill.

Gentlemen:-

Replying to yours of August 12th. My son left two children of whom I was the guardian. They now have four children.

As the policy states that in case of the death of the child or children of Adela M. West, and herself, the insurance shall be paid to my "executors, administrato ors assigns", I do not see wherein even under the terms of the policy the grandchildren or great grand children are interested.

I am enclosing the policy as you request. As soon as though with it please return it to me.

Very truly yours
